

Stella and Theo Bake Muffins

Adventures in Tairawhitii

Once upon a time, in a cozy little house, there lived two best friends named Stella and Theo. Stella was a bright and cheerful doll with long dark hair, while Theo was a mischievous doll with a twinkle in his eye.

They loved going on adventures together, but their favourite thing to do was to bake delicious treats in their kitchen. One sunny morning, Stella and Theo woke up with an idea. They decided it was time to bake some scrumptious chocolate and banana muffins.

They hurriedly put on their special chef outfits. Stella's apron was white with small silver stars, and Theo's had slices watermelons printed all over it. Theo gathered all the ingredients they needed—flour, sugar, milk cocoa powder, bananas and an egg. Stella fetched the mixing bowl, while Theo set up the baking cups.

With their wooden spoon in hand, they were ready to create a chocolate masterpiece! They spooned the mixture into the baking cups and placed them in the oven.

Suddenly, the delicious aroma of freshly baked chocolate muffins filled the air. Stella's and Theo's eyes sparkled with delight as they opened the oven and found perfectly risen, rich chocolate muffins.

They couldn't resist taking a tiny bite, and it was simply heavenly! The dolls continued their baking adventures, creating new recipes and memories each day. Stella and Theo's kitchen was always filled with laughter, love, and the mouthwatering aroma of their chocolate muffins.
